

PAC MISSION STATEMENT

To provide cost effective facilities and services to members that meet their boating needs now and in the future in a DIY environment. This will be achieved by volunteers in a cooperative association.

PAC CULTURE

The following describes the PAC culture. How we do things at PAC and what we expect of each other.

- Friendly open honest communication
- Volunteer to participate in club activities and fill positions in PAC.
- Show respect for the personal rights and opinions of others
- Willing to help other members
- Willing to share knowledge and skills with other members
- Practice safe boating
- Ensure a safe work environment for all
- Practice good sportsmanship when sailing
- Willing to accept change
- Promote a positive image of PAC and do not bring the club into disrepute

PAC VALUES

The following values are recognised as being key to the achievement of the PAC mission.

LEADERSHIP

- Develop PAC plans in a consultative manner
- Keep members informed of the plans with regular updates on progress
- Promote the club and its facilities to members
- Organise social events so members can meet each other
- Promote the club as a safe, responsible and respected organization

MEMBER FOCUS

- Gain a good understanding of members boating needs
- Encourage open communication
- Encourage members to share knowledge and skills
- Provide social occasions where members can meet each other
- Keep members informed with regular newsletters

BUSINESS FOCUS

- Ensure facilities and services are cost effective, meet member needs and use appropriate technology
